INTERNSHIP EXPERIENCE

Finance Intern | VSS Textile Private Limited Coimbatore, Tamil Nadu | 2 Months, 2026

- Performed GST reconciliation and Input Tax Credit (ITC) verification to support regulatory compliance.
 - Reconciled ERP-Tally transactions and aligned inventory and stock records to improve reporting accuracy.
- Gained working exposure to ERP workflows, GST compliance, textile costing, and export documentation

Audit Intern | NVP & Co., Chartered Accountants Coimbatore, Tamil Nadu | 2 Months, 2022

- Assisted with bank reconciliation and accounting entries as part of statutory audit engagements.
- Prepared GST compliance documentation and supported client tax filings.
- Carried out Tally ERP operations and general audit support, gaining hands-on experience in accounting and audit procedures.

ACADEMIC PROJECTS

The Role of Advertisement Media on Consumer Buying Behaviour - UG Dissertation

Sri Krishna Arts and Science College | Tools: SPSS, Microsoft Excel, Survey Methodology, Consumer Behaviour Analysis

- Designed and administered a structured primary survey capturing advertising media exposure and purchase-decision data from 100+ respondents across diverse demographic segments.
- Applied Chi-Square and One-Way ANOVA statistical tests to validate hypotheses on advertising media influence and consumer buying behaviour across digital and traditional channels.
- Extracted actionable consumer insights on digital versus traditional media effectiveness, mapping advertising channel impact to purchase intent across target audience segments.

- Presented research findings through visual data summaries; identified a statistically significant positive correlation between digital media exposure and consumer purchase intent.

The Role of Anthropomorphic Chatbots in Reducing Consumer Skepticism toward AI-Based Customer Support - Business Research Project, MBA, 2026

Amrita School of Business

- Conducting a systematic review of academic literature to understand consumer skepticism, anthropomorphism, trust, and AI-based customer support in digital commerce.
- Analysing peer-reviewed journal articles to identify research gaps, recurring themes, and theoretical perspectives relevant to the proposed research problem.
- Synthesising insights from existing studies to support research problem formulation and establish the foundation for subsequent phases of the project..
